

**V(A). Planned Program (Summary)**

**Program # 17**

**1. Name of the Planned Program**

New Start for Financial Success (Extension)

- Reporting on this Program

Reason for not reporting

This program (and all reported summaries, descriptions, situations, priorities, factors, results, outputs, outcomes and goals) has been rolled into the "Strengthening Families and Communities" program.

"New Start for Financial Success (Extension)" is one of several 'signature programs' offered by Ohio State University Extension. Signature programs are updated or replaced with other signature programs periodically, as client need dictates. Due to their transient nature, we have decided to report all signature programs under one of 4 permanent 'impact areas': (1) Advancing Employment and Income Opportunities, (2) Enhancing Agriculture and the Environment, (3) Preparing Youth for Success, and (4) Strengthening Families and Communities.

"New Start for Financial Success (Extension)" will now be reported under "Strengthening Families and Communities".

**V(D). Planned Program (Activity)**

**1. Brief description of the Activity**

Two-hour course approved by the Department of Justice.  
 The subjects covered are budget development, money management, wise credit use and consumer information.

Competitors have arisen in most communities where the New Start course has been offered. Attorney's prefer to send clients to the same provider for both credit counseling and personal finance education. Unfortunately, OSU Extension educators are not certified to be credit counselors, so that now the referrals are going to other agencies who can offer both to bankruptcy filers. Most educators will not be offering the class in 2012 and beyond because of the funding and referral issues.

**2. Brief description of the target audience**

Bankruptcy filers
